to pursue a Master of Arts in

Development Studies

Erasmus University Rotterdam

## ▼ ABOUT THE PARTNER INSTITUTIONS

The OAS General Secretariat (GS/OAS) is the central and permanent organ of the [Organization of American States](#) (OAS).

- Through its Department of Human Development, Education and Employment (DHDEE), GS/OAS supports [OAS member States](#) in creating policies and executing programs that promote human capacity development at all educational levels.
- By enabling formative opportunities to citizens, DHDEE strengthens democratic values and security under the framework of regional integration.
- DHDEE does this: (i) by supporting the efforts of OAS member states to improve the quality of and equity in education; and (ii) by assisting the citizens of the Americas in realizing their full potential by giving them access to knowledge and skills through training that improves the standard of living for individuals, families and communities in the region.

Since 2009, [the International Institute of Social Studies](#) is a University Institute of Erasmus University Rotterdam located in The Hague.

- The International Institute of Social Studies (ISS) is an international graduate school of policy-oriented critical social science. It brings together students, teachers and researchers from the Global South and the North in a European environment.
- Established in 1952 by Dutch universities and the Netherlands Ministry of Education, the ISS is involved in research, education and public service in the field of development studies and equitable international cooperation.
- ISS is located in The Hague, also referred to as ‘City of Justice and Peace’ or the ‘Legal Capital of the World’ because of the presence of various prominent international judicial organizations, including the International Court of Justice and the International Criminal Court.
- The Hague has a rich cultural life, is close to nice beaches, and has good public transport connections for traveling in and beyond the Netherlands.

## ▼ ACHIEVEMENTS AND INITIATIVES

For eight years already the OAS and ISS join forces to offer students from OAS member states a scholarship for the MA in Development Studies at ISS. Each year many students applied for these scholarships and we have been able to support close to 30 students over the last 8 years.

## ▼ TESTIMONIALS FROM CURRENT STUDENTS

*“Receiving the OAS scholarship meant a tremendous opportunity for both personal and professional growth. It signifies recognition of my past efforts and potential for future contributions to sustainable development”* Nicolas

*“Without this scholarship, I would not be able to afford the ISS tuition fee. I am very grateful for the opportunity to have it and to be part of the ISS community”* María
