

International Diploma in Educational Planning and Administration (IDEPA-XXXVIII)
1 February to 30 April, 2025

AIM

IDEPA endeavours to promote the spirit of regional cooperation, international understanding and goodwill through exchange of experiences on subject matter and issues important to the development of human resource. With this mission, it aims at augmenting capabilities and competencies in educational planning and administration.

OBJECTIVES

- The International Diploma Programme has gained its uniqueness over the years by continual updating of its objectives and course structures in order to keep pace with the changing scenario. The Programme in general strives to understand educational developments in the developing countries with particular reference to policy, planning and management, especially on quality and equity issues relating to school, vocational and higher education.
- IDEPA encompasses the principles, concepts and techniques of educational planning, supervision, administration, management and leadership for fulfilling the national goals and meeting local requirements of various countries. In this regard, it tries to develop skills of analysis, statistical interpretation, forecasting, project preparation for macro and micro level educational planning, on the one hand, and effective managerial leadership skills in educational administration, project management and programme implementation on the other.
