

## 168th International Training Programme on Audit of Social Sector Schemes (Spanish) 09th to 20th February 2026

### Course on Audit of Social Sector Schemes (Spanish)

The social sector is vital for inclusive growth and sustainable development. Auditing social sector schemes is key to ensuring accountability, transparency, and efficiency in public services. Increasing stakeholder interest in these audits underscores the need for thorough scrutiny by Supreme Audit Institutions. With rapid digital transformation and new audit technologies like Artificial Intelligence and Machine Learning, auditors must continuously upgrade their skills. This training programme is designed to strengthen auditors' capabilities to effectively address these evolving challenges in social sector audits.

The course offers the following:

- Overview of SAI India's mandate and social sector auditing.
- Audit planning, criteria, execution, and design matrix.
- Performance audits using ISSAIs and issue analysis.
- Data analytics and case studies from health, housing, education, and employment.
- Social audit techniques and innovative strategies to enhance accountability.

### Programme Eligibility

- Senior and middle level officers of various SAIs
- Experience of at least 3 years in the auditing field
- Fluency in spoken and written English Age between 25 to 45 years

### What is so fascinating about the course

- Careful and creative content design
- Strategic selection of faculty from wide and diverse group representing officers from SAI, India, academicians from institutes of international repute, expert professionals in the relevant fields, global organizations etc.
- Our programmes are thought-provoking, informative, engaging and aspirational.
- Real time translation in Spanish using AI Tool
