

Proposal for a Two-Week ITEC Course

Subject: Proposal for a 2 week ITEC course on Investigation and Prosecution Matters

1. Executive Summary

Rashtriya Raksha University (RRU), an Institution of National Importance and India's pioneering National Security and Police University, is pleased to submit this proposal for a specialized training program. The **Two-Week ITEC Course** is specifically designed to enhance the technical and legal capabilities of the Law enforcement officers. This program focuses on modernizing investigative techniques and strengthening prosecutorial frameworks in accordance with international legal standards.

2. Program Identity

- **Title of the Program:** Two-Week ITEC Course on Investigation and Prosecution Matters.
- **Host Institute:** School of Criminal Law and Military Law (SCLML), Rashtriya Raksha University.
- **Intended Audience:** Prosecuting/Prosecution Officers
- **Venue:** Rashtriya Raksha University, Gandhinagar, Gujarat, India.
- **Tentative Dates:** 31st August to 11th September 2026.

3. Curricular Objectives

The course is structured to address the evolving landscape of global crime through a multidisciplinary approach:

- **Technological Integration:** Training on the role of Artificial Intelligence (AI), Digital Evidence, and Open-Source Intelligence (OSINT) in the criminal justice system.
- **Transnational Crime:** Comprehensive modules covering Money Laundering, Human Trafficking, and Maritime Piracy.
- **Procedural Excellence:** Advanced sessions on Extradition, Mutual Legal Assistance, and International Cooperation mechanisms.
- **Practical Exposure:** On-site visits to specialized laboratories for crime scene simulation and physical/psychological assessments.

4. Tentative Program Outline

Phase	Focus Areas
Week 1: Foundations & Technical Intelligence	Inaugural ceremonies, international forensic evidence standards, digital authenticity, and hands-on Open-Source Intelligence (OSINT) training.
Week 2: Global Legal Frameworks & Prosecution	International cooperation, cross-border enforcement, comparative constitutional studies, juvenile justice, and specialized victim protection programs.

5. Resource Faculty

The program will be delivered by a distinguished panel of experts, including:

- Senior academic faculty from **Rashtriya Raksha University**.
- Experienced practitioners and public officials and eminent jurists.
- Renowned legal scholars and Professors of Law from premier national law universities.
- Subject matter experts in forensic science, internal security, and maritime law.
