**INDIAN INSTITUTE OF  
CREATIVE SKILLS**

With the ubiquitous spread of handheld devices and the development of social media platforms in the the first decade of the 21<sup>st</sup> century, media quickly became creative, personal, digital , immediate, connected and informatised—all at the same time. The new age audience of the 21<sup>st</sup> century now require to be constantly 'refreshed' to keep abreast of developments in New Age Media and the IT developments which power these media.

Enter CDAC Delhi and Indian Institute of Creative skills. Two uniquely placed institutions to give you the latest download on New Age Media and IT developments through an intensely packed well curated ITEC course.

2 weeks at Delhi with these institutes which will see you develop your own 20-sec VFX powered reel; edit sound tracks; work with Wordpress and develop data journalism skills; learn about IT and privacy laws; visit live news rooms and video production houses and learn about ethical behaviour, fact checking etc.

All with the best experts in the domain.
