
KIST School

Student Internship Program

for Spring 2027

KIST School Student Internship Program

- A preliminary internship program for the students who are considering applying for the KIST School(UST) graduate program (Master's / Ph.D.)
- Provides R&D research experience for the student researchers
- Provides Korean Language Lecture (Mandatory)

Guidelines for the KIST School Student Internship Spring 2027

Eligibility

- Students who can keep their student status at their current universities throughout the internship period
- Students with fewer than three semesters remaining until graduation (As of October 6, 2026)
- Potential applicants for the KIST School(UST) admission for Fall 2027 or later

Program Tracks and Periods

The KIST School Student Internship Program is divided into two tracks depending on the **students' affiliated universities or institutions**

- **Track 1:** Students from KIST's partner universities and institutions (except Vietnam and Indonesia)
 - Period: March 1, 2027 ~ August 31, 2027
- **Track 2:** Students from Vietnam and Indonesia
 - Period: March 1, 2027 ~ July 31, 2027

Advantages

- Experience in national R&D projects funded by the Korean government and institutions
- Receive guidance from the KIST researchers with superb research capabilities
- Access to well-equipped laboratories at KIST

Student Benefits

- Financial support: monthly stipend of 1,200,000 KRW for undergraduate students and 1,400,000 KRW for master's students (before tax deduction)
- Dormitory accommodation (approximately 180,000 KRW per month)
- Comprehensive insurance
- Diverse academic/cultural events for students
